

Longford Football Club - Special Feature

New lounge adds comfort

The newly refurbished lounge at the Longford Football Club provides many new options for members and guests of the club. Partners and children can take a break from the on field excitement and relax in the informal atmosphere of the clubrooms, enjoy a refreshing drink or perhaps some TV viewing on the large screen.

Tuesday, Thursday and Friday nights are quite popular with the bar open and offering \$2 pots on those nights, as well as between 7pm and 9pm on home game nights. There is a members jackpot draw on Friday, along with a meat tray raffle. If you have had an association with the Tigers over the years, and would like to catch up with old team mates from time to time, then the "White Tigers" club might appeal to you. Membership provides a number of worthwhile benefits, so if you are interested, ask at the clubrooms about how you might join this popular group.

Home fixtures 2009

Your opportunity to contribute to the local community and share in the success of an historic local sporting club.

Players putting in hard yards for new season

Training for the new season is well under way, in the gym and on the field, where approaching 50 players have joined in the training on some evenings, with quite a few more set to resume training when cricket commitments are finalised.
